

A dark night sky with a full moon visible on the right side, partially obscured by a silhouette of a forest. The moon is bright and creates a lens flare effect. The trees are dark and silhouetted against the lighter sky.

Oh, What a Night!

My help comes from the Lord, who made heaven and earth! He will not let you stumble; the one who watches over you will not slumber. Indeed, he who watches over Israel never slumbers or sleeps.

~ Psalm 121:2-4

Let my people go.

~ Exodus 5:1

At midnight the Lord struck down all the firstborn in Egypt, from the firstborn of Pharaoh, who sat on the throne, to the firstborn of the prisoner, who was in the dungeon, and the firstborn of all the livestock as well. Pharaoh and all his officials and all the Egyptians got up during the night, and there was loud wailing in Egypt, for there was not a house without someone dead.

During the night Pharaoh summoned Moses and Aaron and said, “Up! Leave my people, you and the Israelites! Go, worship the Lord as you have requested. Take your flocks and herds, as you have said, and go. And also bless me.”

The Egyptians urged the people to hurry and leave the country. “For otherwise,” they said, “we will all die!”

~ Exodus 12:29-33

# Two Powerful Lessons

I. It is a dangerous thing to DEFY God.

He is being patient for your sake. He does not want anyone to be destroyed, but wants everyone to repent.

~ 2 Peter 3:9

I will not put up with man forever.

~ Genesis 6:3

The suffering you sent was good for me because it  
taught me to pay attention to your decrees.

~ Psalm 119:71

# Two Powerful Lessons

- I. It is a dangerous thing to DEFY God.
- II. God isn't SQUEAMISH when it comes to accomplishing His will.

A dark night sky with a full moon visible on the right side, partially obscured by a silhouette of a forest. The moon is bright and creates a lens flare effect. The trees are dark and silhouetted against the lighter sky.

Oh, What a Night!
